THE RIGHT TO ABORTION
CARE IS ON THE BALLOT!

QUESTION 1 WILL PROTECT OUR REPRODUCTIVE FREEDOMS

Reproductive healthcare is a human right. If approved by voters this election, **Question 1 would protect everyone with childbearing potential in Maryland, including those traveling to Maryland seeking abortion care.**

Maryland has strong reproductive freedom laws. However, without an established right in the state constitution, the laws are vulnerable to future changes

A constitutional amendment is the strongest possible protection of the right to an abortion that the state can create and would be very difficult to repeal.
