THE RIGHT TO REPRODUCTIVE FREEDOM
IS ON THE BALLOT NOVEMBER 5TH!
VOTE FOR QUESTION 1!

GET UPDATES!

THIS IS IMPORTANT!

If approved by voters in November, **this amendment would protect everyone with childbearing potential in Maryland, including those traveling to Maryland seeking reproductive healthcare.** This is critically important as other states, including our neighbors in West Virginia, move to increasingly restrict access to abortion care. Additionally, if Question 1 passes, it will send a strong message nationally that people want the right to abortion care and reproductive freedom. **Vote FOR Question 1 for reproductive justice this November!**

Additionally, **A constitutional amendment is the strongest possible protection of the right to reproductive freedom that the state can create and would be very difficult to repeal.**

If approved by voters in November, **this amendment would protect everyone with childbearing potential in Maryland, including those traveling to Maryland seeking reproductive healthcare.** This is critically important as other states, including our neighbors in West Virginia, move to increasingly restrict access to abortion care. Additionally, if Question 1 passes, it will send a strong message nationally that people want the right to abortion care and reproductive freedom. **Vote FOR Question 1 for reproductive justice this November!**

Additionally, **A constitutional amendment is the strongest possible protection of the right to reproductive freedom that the state can create and would be very difficult to repeal.**

THE BACKGROUND

In March 2023, the Maryland General Assembly passed the "Right to Reproductive Freedom Act" in response to the Supreme Court's overturning of Roe v. Wade. This legislation proposed **adding a 'Declaration of Rights' to the Maryland constitution, enshrining the right to reproductive freedom in the state of Maryland.**

Maryland has strong reproductive freedom laws. However, without an established right in the state constitution, the laws are vulnerable to future changes.

In March 2023, the Maryland General Assembly passed the "Right to Reproductive Freedom Act" in response to the Supreme Court's overturning of Roe v. Wade. This legislation proposed **adding a 'Declaration of Rights' to the Maryland constitution, enshrining the right to reproductive freedom in the state of Maryland.**

Maryland has strong reproductive freedom laws. However, without an established right in the state constitution, the laws are vulnerable to future changes.

QUESTION 1 ON THE BALLOT

The Maryland Right to Reproductive Freedom Amendment is on the ballot in Maryland on November 5, 2024.

Question 1 will appear on the ballot as such: *"The proposed amendment confirms an individual's fundamental right to an individual's own reproductive liberty and provides that the State may not, directly or indirectly, deny, burden, or abridge the right unless justified by a compelling State interest achieved by the least restrictive means."*

A **"for the amend." vote** supports adding a new article to the Maryland Constitution's Declaration of Rights establishing a right to reproductive freedom, defined to include "the ability to make and effectuate decisions to prevent, continue, or end one's own pregnancy."

An **"against the amend." vote** opposes amending the state constitution to establish a right to reproductive freedom.
